

INDEX to SIMILIA
The Journal of the Australian Homœopathic Association

For the years 1998 to the present

(Compiled by successive National Administrators)

*All members of the **Australian Homœopathic Association** automatically receive a subscription to **Similia** as part of their annual membership. Contact the AHA National Office to enquire about becoming a member. (Email: admin@homeopathyoz.org)*

To obtain photocopies of articles listed below, contact your homœopathic college within Australia, or the National Library of Australia.

Title	Author	Page
Vol. 11, No 1. July 1998		
Science and homœopathy	Dr Jurgen Schulte & Christian Endler	6
Diabetes and vaccines	Harris L. Coulter	11
The education gap	Dr Rajesh Shah	20
Homœopathy in the intensive coronary care unit of a homœopathic hospital	Dr Alok Pareek	23
Homœopathic medicine in Cuba	Drs Elio Rossi & Mariella Di Stefano	27
A Carcinosis cure of mild autism	Amy L. Lansky	29
On the mydriatic properties of <i>Duboisia myoporides</i>	John Tweedy	36
Report on the physiological action of <i>Duboisia myoporoides</i>	Dr Sydney Ringer	37
Conference review – ICCH Case Conference: a summary	Julian Winston	40
Seminar review – Dr Peter Konig: Small remedies seminar, Vienna	Jana List	41
Vol. 11, No 2. December 1998		
Homœopathy, sensation of well-being and CD4 levels: a placebo-controlled, randomised trial	RM Kuzeff	5
From poisonings to holism (history)	Peter Morrell	10
As if one patient (homœopathy and a sheep herd) – reprint	Greg Bedayn	14
Homœopathy and obsessive-compulsive disorder	Mark Simblist	18
Desperation & longing in the Garden of Eden: the homœopathic proving of <i>agathis australis</i> – kauri	Alastair Gray	22
“I can’t tell what I feel”	Phill Robbins	27
Taming a toddler	Jim Veljanovski	29
Thus <i>glabra</i> and abuse	Peter Tumminello	33
Nosodes, sarcodes, isopathy, tautopathy & some cases	Maranatha Emmanuel	36
Seminar review – Linda Beaver & Linlee Jordan: Homœopathic paediatrics	Karen Oakley	42
Conference review – First Australian Case Conference	Phill Robbins	43
Vol. 12, No 1. July 1999		
The homœopathic treatment of hepato-biliary disorders	Dr Alok Pareek & Dr RS Pareek	5
An interview with Julian Winston (homœopathic history)	Karen Oakley	8
Winter remedies	Keith Avedissian	12
Homœopathy & occupational health & safety	Snehi Jarvis	14
The homœopathic treatment of degenerative myelopathy & osteosarcoma in dogs	Douglas Wilson	17
The case of the Rhodesian Ridgeback (animal homœopathy)	Gwyneth Evans	19
<i>Croton-tiglium</i>	Miranda Castro	20
How to give a talk at a conference	Andrew Vickers	23

Contian physics: a critique	Dr Jurgen Schulte	26
Let's get physical: the place of the clinical sciences in modern homœopathy (see also responses in next edition)	Michael Tomlinson	30
Something to give them peace? Homœopathy in palliative care	Sarah Willacy	33
Book review – Christopher Day. <i>The Homœopathic Treatment of Beef and Dairy Cattle</i>		42
Book review – Eugenio F Candegabe. <i>Comparative Materia Medica</i> [Trans. From <i>Materia Medica Comparada</i> by Rosalind Shapiro]		43
Conference review – ICCH & ECCH Barcelona Conference	June Cresswell	44

Vol. 12, No 2. December 1999

Letter – response to Dr Nick Goodman's article in this edition	Michael Tomlinson	4
Can a specialist homœopathic clinic work?	Nyema Hermiston	5
Totality, causation and time in homœopathy (history)	David Little	7
Croton tiglium	Miranda Castro	12
Haemochromatosis resolved by crotalus-horrisus with a little philosophy on dosage	Ken D'Aran	14
The homœopathic detective	Sadhna Thakkar	17
Acute prescribing in a community health crisis situation	Dr Jean Doherty	18
An approach to children's case-taking	Keith Avedissian	20
Don't miss the exciting place of pathology in homœopathy – response to Michael Tomlinson's article in previous edition (See also responses in letters in this and next edition)	Dr Nick Goodman	24
The finger of providence: religion and morality in medicine	Peter Morell	27
Response to Jurgen Schulte's critique of Contanian physics	Rolland Conte et al	30
Second look: two zinc cases	Deborah Collins	32
What are some possible guidelines for writing up case studies?	Michael Tomlinson	36
Homœopathy and the GST	Andrew Harding	37
Book review – Rudi Verspoor & Steven Decker. <i>Homœopathy re-examines: behind the classical paradigm</i>	Peter Morrell	39
Book review – Dr Peter Dingle. <i>Cosmetics and Personal Care: Dangerous Beauty</i>	Karen Oakley	40
Book review – Dr Sehgal. <i>Perfect Materia Medica of the Mind</i>	John Outram	42
Seminar review – Jonathan Shore: Minerals, plants, animals, placebo and birds	Dr Nick Goodman	44

Vol. 13, No 1. July 2000

Ross River virus: a homœopathic perspective	Leanne Wilson	5
A homœopathic expedition into Amazon rainforest	Robert Muntz	13
Still an unloved child: documentation in homœopathic practice	Peter Koenig	17
Mimosa case: fear in school	Karl-Josef Muller	23
Perceiving clinical medicine?	Jim Veljanovski	26
New remedies from the rain forest	Robert Muntz	30
A case of life-threatening hydrothorax and the improved versions of rapid dose techniques	Isaac Chan	34
Delayed development in a child: a case for Oleander	Keith Avedissian	41
Suggestions of a good homœopathic practice score	Peter Koenig	44

Vol. 13, No 2. March 2001

The homœopathic proving of Positronium	Misha Norland	5
Sleepless at waxing moon	Karl-Josef Mueller	17
The Owl The Donkey: aspects of the homœopathic encounter	Peter Morrell	20
Bothrops lanceolatus	Paul Herscu	26
Clinical reasoning in homœopathy: developing a model for practice	David Levy	35

Vol 14, No 1. February 2002

The homœopathic treatment of macular degeneration of the eye	Margie Baulman	5
Constitutional prescribing in homœopathy: what do we really mean?	Terri Nicholson	7
A case of petit mal cured with <i>Artemisia vulgaris</i>	Thomas Dellman	11
An ADHD case history and the remedy <i>Alcoholus</i>	Linlee Jordan	14
Using homœopathy to choose a partner	Liz Lalor	17
Homœoprophylaxis: its benefits and its use by homœopaths (see also responses in next edition)	Isaac Golden	21
Homœopathic approach in the treatment of macular degeneration of the eye	Dr Edward Kondrot	24

A homœopathic perspective on the treatment of “white spot” with particular reference to the sycotic miasm	Patricia Hatherly	37
Seminar review – Isaac Golden: Vaccination and its homœopathic alternatives	Kathy Harris	42

Vol. 14, No 2. November 2002

Letter – response to homœoprophylaxis: its benefits and its use	Tim Boyle	3
Letter – a reply to Tim Boyle on homœoprophylaxis	Isaac Golden	46
Pioneer homœopaths in colonial Tasmania: the early days (History of homœopathy in Australia)	Angela Baker	4
Miasms: the basis of correct homœopathic prescribing	Grant Bentley	10
Finding the similimum with James Compton Burnett: the power of organopathy and the limitations of the totality of symptoms (History of homœopathy)	John Maitland	16
Attitudes to and use of homœoprophylaxis by Australian homœopaths: an update	Isaac Golden	26
Miasms, nosodes and essence: engaging the vital force	Peter Morrell	32
<i>Similia Similibus Curentur</i> : where have we heard this before?	Julie Phillips-Moore	42

Vol. 15, No 1. May 2003

Letter – the homœoprophylaxis debate	Kate Diamantopoulo	3
Conference review – retrospective of the National Conference	Ali MacLean	5
On a more serious note ... the principles of resonance	Julie Phillips-Moore	8
Three faces of Iodium	Peter Tumminello	12
To be or not to be? The <i>Lac Maternum</i> state	Patricia Hatherly	22
Infertility: the blockages to birth	Jennifer Maver	30
Homœopathy for burns and scalds	Kate Diamantopoulo	34
Vaccination: the adverse effects documented	Helen McGuire	38
Seminar review – Tinus Smits	Felicity Nutting	46

Vol. 15, No 2. November 2003

Letter – what is classical homœopathy?	Tim Eisemann	3
The levels of homœopathy	Dr Rajan Sankaran	4
“Stuck” versus “stopped” – a homœopathic differentiation	Joanne Greenland	20
Invasion and exhaustion, violation and detachment, saliva and numbness: a homœopathic proving of mosquito <i>Culex pervigilans</i>	Alastair Gray	26
Fertility success using homœopathy	Liz Lalor	42
Seminar review – Rajan Sankaran	John Maitland	39
Book review – Grant Bentley. <i>Appearance and Circumstance; Miasms, Facial Features and Homœopathy</i>	Jon Gamble	44
Book review – Frans Vermeulen. <i>Prisma: The Arcana of Materia medica Illuminated – Similar and Parallels between Substance and Remedy</i>	Will Taylor	45
Seminar review – Grant Bentley: the homœopathic rambler – new faces	Ali MacLean	

Vol. 16, No 1. April 2004

Letter – response to Jon Gamble’s book review of <i>Appearance and Circumstance</i>	Grant Bentley	3
---	---------------	---

Letter – response to article re Fertility using homœopathy (v15, no 2)	John Furniss	4
Letter – implications of using restricted homœopathic medicines	Robert Medhurst	4
Understanding materia medica and repertory	Frans Vermeulen	8
Two paradigms	Kerrin Cassidy	16
Homœopathic proving of a “combination remedy”	Stase Kaintatsis	22
Too close to the bone (See also letters in 17:1 and 17:2)	Michael Tomlinson	27
A statement on homœoprophyllaxis	AHA	30
Visiting homœopathic landmarks in Paris & London (See also letter in 17:1)	Jon Gamble & Nyema Hermiston	36
Book review – Michael Weir. <i>Complementary Medicine: Ethics and Law</i> (2 nd ed)	Barbara Armstrong	40
Book review – Ulrich Welte. <i>Colors in Homœopathy</i>	Markus Kuntosch	41
Book review – Don Hamilton. <i>Homœopathic Care for Cats and Dogs: Small Doses for Small Animals</i>	Susanna Shelton & Tineke Verkade	42
Seminar review – Frans Vermeulen: deconstructing traditional materia medica	Geoffrey D’Hudson	45
 Vol. 16. No 2. December 2004		
Letter – response to articles in previous edition (homœoprophyllaxis and Frans Vermeulen)	Julian Winston	3
Letter – response to John Furniss’ letter on fertility using homœopathy	Sarah Saunders	4
Letter – response to John Furniss’ letter on fertility using homœopathy	Ben Gadd	4
Hahnemann’s view of allopathy as seen in the prefaces and introduction to the Organon	Peter Morrell	6
Understanding materia medica and repertory part 2 – insight into repertories	Frans Vermeulen	16
Are antibiotics necessary to treat ear infections in children?	Scott Hayter	26
Evidence-based medicine: what’s in a name?	Barbara Armstrong	32
A new program of long-term homœoprophyllaxis	Isaac Golden	36
