

# OPPORTUNITY TO LEARN FROM DR MADAN

AHA QLD branch invites you to meet the incredible homeopathic physician Professor Emeritus Dr N Madan on the Sunshine Coast in Queensland Australia.

A golden opportunity to learn from an Indian homeopath with profound clinical experience including his role as Professor and Head of the Department, Surgery in Bengaluru. He has vast experience and is a sought-after speaker at many homeopathic conferences as well as at specialty hospitals in Bengaluru. Dr Madan's clinic is much sought after hub for junior doctors seeking firsthand experience in treating patients with homeopathy. His clinic is student friendly, and he has been an inspirational figure for hundreds of doctors and welcomes sharing his wisdom with you on the following topics:

- Options when repertorisation doesn't work
- Homeopathic observations of patients before they express the "main collective miasm"
