

Shenaz Morkas

Dr. Shenaz Morkas (BHMS - Homeopathy) is a highly respected practitioner and educator with 19 years of clinical experience in Australia. She comes from a family of doctors who have provided health and wellness services for three generations. Her approach to teaching integrates homoeopathy and complementary medicine approaches to achieve optimal health outcomes for her patients.

Dr. Morkas is sought after as a speaker and has delivered lectures on a wide range of topics, including asthma, allergies, autism, infertility and business ethics to international audiences. She served as the president of the Australian Association of Professional Homeopaths (AAPH) and currently serves as a Director on the Board of the Complementary Medicine Association.

Shenaz is the director of Morkare Natural Clinic in Brisbane, where she leads a team of practitioners specializing in homoeopathy, naturopathy and nutrition. She is also a passionate mentor to students and graduates of naturopathy and homoeopathy. Her dedication to teaching and sharing knowledge allows her to fulfill her vision of helping people on a larger scale.

Dr. Shenaz Morkas is a skilled practitioner and educator who embodies the best of complementary medicine, with a deep appreciation for integrative approaches to health and wellness.
